

Dubai: AI has opened the door to wild creativity — sometimes delightful, sometimes divisive. But content creator AI Manthrikan has found a sweet spot, fusing the festive spirit of Vishu with Kerala's sporting obsessions: cricket and football. Ronaldo and Samson serve up Vishu vibes The proclaimed artist has merged Indian cricketer Sanju Samson and Portuguese football legend Cristiano Ronaldo in an AI-generated video that has gone viral on social media. Dressed in traditional Malayali attire, Samson and Ronaldo are seen cooking and enjoying a Vishu Sadhya, bursting crackers, and handing out gifts to children — all part of the day's customs.
